Sir,

ASSOCIATIONS - South Kanara District Advancement Association and other Welfare Associations - Recognition - Grant of - Requested.

.....

A non-official body called the South Kanara District Advancement Association is functioning in this District for the last 30 years or more. It appears to be an out come of an All India Exhibition organized by Mr. Lionel Vibert, the then Collector, somewhere about the year 1915. It is purely a non-official organisation run by some of the prominent non-official social-workers of the District. It has often been seeking and always getting the cooperation of the officials whenever it confined its activities to the social and economic advancement of the people eschewing politics. The unspent balance of the All India Exhibition aforesaid was the nucleus of its funds which are now to the tune of Rs.5000/-. invested in Government Promissory Notes. In its long and chequered career it had attempted to tackle many a socio-economic problem like training of Koragas (a Harijan sect) in rattan work, opening of reading rooms, maintaining breeding bulls and buffaloes and organizing quinquinial All India Industrial and Agricultural Exhibitions andthe like. It is also learnt that the Government were pleased to sanction some grant to the association some years back. All these activities had to be given up for some reason or other and finally its activities were confirmed to holding of gardens competitions, in addtion to Flower and Vegetable shows.

2. In 1947, Mr. Saunders, my predecessorm in office, thought of expanding the activities of the Association and bringing together prominent non-officials and officials of the District and constituted a number of committees to deal with the problem of development and reconstruction. The prominent among them are the Puttur Taluk Development Committee which aims at finding out ways and means for the betterment of the people in Puttur Taluk, a rather backward area in the District; and Malnad Development Society, intended to develop the 'Malnad' i.e., the villages at the foothills of the Western Ghats, which have problems of their own, like prevalence of Malaria, ravages of wild beasts, poor communications and the like.

3. The Collector is the ex-officio president of the South Kanara District Advancement Association. The circumstances under which he became the president are not known. The now born associations and Committees also claim the Collector to be their ex-officio President. The South Kanara District Advancement Association and the various Committees are intended to deal with the problem of development and reconstruction of the District. I recommend that the Government may be pleased to recognize the South Kanara District Advancement Association, the Puttur Development Committee, and Malnad

P.T.O.

and Malnad Development Society as representative Associations that may be consulted by the Collector freely in matters pertaining to the development of the District and permit the Collector to be their ex-officio president and to give these Committees any statistical information they desire in preparing plans in so far as the information can be readily supplied without any extra expense to Government. This kind of liasion between the officials and non-officials is, I think, desirable, and will be of great benefit apart from the speedy promotion of the objects for which the Associations function.

Under Rule 23 of the Government Servants Conduct Rules sanction of Government is necessary for a Government servant being a member of any service association. As the Collector of South Kanara required permission to be an ex-officio President of the South Kanara District Advancement Association the Board thought that permision could be granted under the Government Servants Conduct Rules. The Board invites the attention of the Government (Development) Department to G.O. No.1160 Public (General- B) Department dated 11th May 1948 wherein instructions have been issued regarding the grantof recognition to Associations of Government employees. The Public (General) Department may be able to elucidate the Development Department on the points referred to in the Government Memo cited above. There are no cases of the kind under reference disposed of already.

Notes from p. 1 ante may be perused. Submitted in this connection that the places Puttur and Kalmad mentioned in the reference in question do not come under the Kumbla fika selected for intensive rural reconstruction work in the South Kanara Dr. Further the Association and the Committees in question are not in any way connected with the Govts intensive rural reconstruction Scheme. This Depr. are not at present concerned with Socio-economic questions. The Subject matter of the file is not one to be dealt with in this Depr. For orders therefore whether the case will be remitted to Dew.

28.8.48

The Board has no objection to the Collector's proposal to recognise the association concerned as representative Association that may be consulted by the Collector fr in matters pertaining to the development of district and permit the Collector (Chairman ex-officio president) to give the Committees any statistical information without any extra expense to Govt:

except for the permission given by the Collector to the ex-officio president to give the Committees information, one fails to see the point of the association seeking any recognition from Govt. The case may be remitted to Dew. Dpt.

With reference to these requests, the Board of Revenue was asked to state the authority under which the Govt. should recognise these Associations and also whether the Govt. had given similiar recognition to similiar Associations in the past. The Board had stated that only permission could be required for the Collector of South Kanara to be an Ex-Officio President of the institutions referred to above, and that there were no cases of the kind under reference disposed of already. Public Dept. has agreed (x) to the Collector of South Kanara continuing to be the Ex-Officio President of these institutions. Attention is also invited to the note of Firka Development at 'A' on p.3 above. That Dept. stated that, except for the permission sought by the Collector to be an Ex-Officio President and giving any statistical information, one would fail to see the Associations seeking any recognition from Govt. In view of 'A' and 'B' above it is for orders whether the Collector of South Kanara may be permitted to be the Ex-Officio President of the institutions referred to above and to give them any statistical information they desire in preparing plans in so far as the information can ~~be~~ be readily supplied without any extra expense to the Govt.
